Vinyl Floor

# Why choose our LVT flooring

## Water-resistant

Looking for a floor that can stand up to the ultimate challenge in a home; be it the wet and dirty shoes or children turning your bathroom into a swimming pool; ELEGANT LIVING LVT floor is just what you need. It is a 100% water resistant.

## Dust-free installation

Elegant Living LVT floors are simple and fast to install. You need little equipment and installation is dust-free.

## Easy Maintenance

This floor requires very little maintenance. All you need is a wet mop.

## Silent

The floor gives off a soft sound when you walk on it and like real wood, feels warm and cosy to your feet. Besides, it has a protective UV lacquer. This makes the floor easy to clean and protects it against daily wear and tear.

## Environmentally friendly

Elegant Living floors are 100% recyclable.

Inspired by  
Wood

An all natural visual

Our plank design reflects the true variance and random character of the actual materials. Rather than looking uniform and appearing "plastic" like, each piece has its own unique individual grain and appearance.

Inspired by  
Stone

Inspired by nature and specially designed for home living and commercial applications, you will find our floors beautifully realistic and also highly practical.

By offering a wide and impressive range of designs, finishes and install formats, you can create a floor that is unique to your home and guaranteed to leave a lasting impression for years to come.
