## Laminate Floor

### Commercial and Residential

Elegant Living offers you the perfect combination of beautiful design and extreme wear resistance. The floor continues to look new day after day, month after month, year after year. The beautiful look of Elegant Living Laminate Floor emulates the warmth of real hardwood.

Easy to clean  
Durable  
Quick installation  
Easy maintenance

## Laminate Floor - A durable Choice

The melamine-impregnated surface with aluminum oxide makes it resistant to dirt and dust. Ordinary vacuuming or sweeping is usually sufficient to keep the floor clean. If needed, occasionally clean with a slightly moistened cloth or mop. (micro-fiber or terrycloth hooded)

We continuously develop new, creative decors, surface textures and formats to capture new trends or intensify the feeling of authentic wood floor or genuine ceramic tiles. All in order to help you create even more personalized and distinctive floors.
